

EAST CHICAGO AND INDIANA HARBOR

EAST CHICAGO. NOTICE.

C. J. Van Sickle is not connected with the Times as collector, nor has he ever been. Persons to whom he makes these representations will kindly call 134 Hammond or the police department at East Chicago so that proper action may be taken.

Two of the families who were rendered homeless by the fire in Mike Kula's building, One Hundred and Forty-ninth street and Homer Lee avenue, Sunday, moved into the empty building across the street, owned by Mr. Charles Lederer. After they were partially settled in their new quarters Mr. Lederer was informed of the fact and promptly told them to make themselves as comfortable as possible, and he then sent a man out to make some necessary repairs. Mr. Lederer also told them to stay just as long as they wanted.

Roller skating at the Whiting Rink every night, and races every Wednesday night.

Eva Visconti, 12 years old, of Forsythe avenue, Stieglitz Park, is sick with the scarlet fever.

A horse, belonging to Fred Sager of One Hundred and Forty-ninth street and Northcote avenue, tied at the Pennsylvania depot yesterday took fright when an engine passed and broke the strap by which she was hitched. The mare was attached to a light spring wagon in which were two trunks belonging to Miss Mattie Boardway, who was returning to Massachusetts after a visit with her brother, Raymond. The trunks were spilled out when the horse, tearing madly east on Johnson street, struck a sprinkler wagon, demolishing the light wagon and tearing it loose from the horse, which stopped back of the fire station.

The Hanemann basketball team will play the Whiting Lincolns at East Chicago Rink tonight.

Sam Friedman of Chicago has purchased the lot and store building on it at One Hundred and Fifty-first street and Alexander avenue from G. Rovinsky for \$1,650. For the present Mr. Friedman will continue to lease the property.

Basketball—Meteors of Chicago at the East Chicago Rink Wednesday night.

The Jewish Ladies' Aid society will give a public whist party this afternoon at Welland's hall, beginning at 2 o'clock. The tickets are 25 cents, and refreshments will be served. Ten prizes will be given out.

SPORTING NOTES

ZBYSZKO WINS A GREAT MATCH

Strength of Pole Enables Him to Escape Fall in Hour on the Mat.

NEITHER IS NEAR TO FALL

Grapplers Are on Their Feet More Than Half of Wrestling Time.

Stanislaus Zbyszko defeated Yusuff Mahmoud in their handicap wrestling bout at the Coliseum last night before the largest crowd of the present season. The giant Pole found no great difficulty in staying the hour in which the Turk had agreed to throw him twice and did fully as much offensive work as his foe from the Balkans. The tremendous strength of Zbyszko enabled him to break every hold the Turk gained. He never was in real danger of being thrown despite the fact that Mahmoud was behind him fully a quarter of an hour. Although the men were on their feet over half that time, the grappling was so fierce that the crowd leaped to its feet several times to cheer the giants on.

The crowd started to arrive early and the doors of the Coliseum were besieged by a mammoth throng long after the program was under way. When the second bout of the evening started every available inch of the big structure was jammed and hundreds who were locked out were clamoring for admission.

Every aisle was jammed and the show was stopped several times while the police cleared the passageways. Many of the balcony seats were out of commission, but extra accommodations had been placed on the first floor. It was estimated that fully 10,000 people were inside the inclosure when the doors were finally closed.

The big bout of the evening, which was fourth on the card, was a test of strength from start to finish. Neither man showed the wrestling finesse of a Gotch, but both demonstrated that they were possessed of brawn in the extreme. On the finer points of the offensive side of the game Mahmoud had a slight advantage, while in mere strength the Pole looked the better.

Neither man showed any inclination to go to the mat at the start, each desiring to test his foe's resources before trying for a fall. They bulled around for several minutes when they started rough work. At the end of ten minutes both were on their feet and they continued to circle around the ring until the first quarter of the match was used up.

The wrestling became rough in the extreme and Referee Flemming had to warn the big fellows repeatedly against slapping and butting with their heads. They wrestled all over the ring at twenty minutes, the going being so fierce that thousands jumped to their feet and cheered wildly.

Twenty-eight minutes had expired when Mahmoud, getting a leg hold, threw Zbyszko and immediately slipped behind him. The Turk at once started to exhaust his offensive repertoire in order to gain one of the two falls he had contracted to accomplish. He endeavored to get his famous scissors hold, but accomplished little and switched back to the toe lock, but the Pole slipped away from his attempts for several minutes, using his tremendous strength to ward off all the Turk's attacks.

Use TIZ Smaller Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them.

Everyone who is troubled with sore, sweaty, or tender feet—swollen feet—smelly feet, corns, callouses or bunions can quickly make their feet well now. Here is an instant relief and a lasting permanent remedy. It's called TIZ. TIZ makes sore feet well and swollen feet are quickly reduced to their natural size. Thousands of ladies have been able to wear shoes a full size smaller with perfect comfort. It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all drugists, 25 cents per box or direct if you wish from Walter Lurie Dodge & Co., Dodge Bldg., Chicago, Ill.

JOHNSON NEAR END OF TOUR

Will Soon Quit the Boards to Train for Fight.

Jack Johnson spent a short time in Chicago yesterday on his way to fill several one night stands in Michigan. He announced that as quickly as his tour, which is now nearly over, ended, he would take a short rest and then leave for California to begin training. He stated that he did not care where the bout with Jeffries came off as long as he had an opportunity of getting into the ring.

PACKEY FAILS TO GET BOUT

Cannot Agree With Welsh on Terms.

London, Feb. 15.—Packey McFarland and Freddy Welsh had a long conference today at the National Sporting club and after much hickering failed to agree on terms for a match. The principal hitch in the negotiations were over the referee and the site for the bout. Another meeting between the two will be held and it is believed that the men will be matched.

LATONIA STAKES ARE BOOSTED

Derby at Milldale Course Will Be Worth \$4,000.

Cincinnati, O., Feb. 15.—The Latonia Jockey club has decided to increase the value of all stakes for the coming season. The Derby, which has been worth \$2,500 in the past, will be raised to \$4,000. The Decoration Day handicap will be replaced by the Independence handicap, with a valuation of \$2,000, and the Oaks will be abandoned. All of the \$1,000 stakes will be raised to \$1,500. Entries to the stakes will close March 17.

EGAN JOINS HOLDOUTS

Reds Will Start Training Without Him.

Cincinnati, O., Feb. 15.—Second Baseman Egan, whose hitting and fielding made him one of the finds of last year, has refused to sign for the coming season at the figure named by the Reds' management. Manager Griffith declared today that no better offer would be made and that his team will go into training without the infielder. Griffith is being criticised because he traded Huggins to St. Louis before he was certain Egan would return.

CLAYTON AND SIEFERT HIGH

St. Paul Bowlers Roll 1,106 in Tournament.

St. Paul, Feb. 15.—The high score of the first shift of the afternoon play in the international bowling tourney here was 1,106, made by Clayton and Siefert of St. Paul. This was the highest score of the day in the doubles and set a new mark for the tournament.

Other high scores in the doubles were: Aune and Hill, 1,101; Matak and Weber, 1,092; Pinks and Rosenquist, 1,081; Porter and McDowell, 1,056. All were from St. Paul. The high marks in the singles were all made by St. Paul men. W. A. Johnson went into first place with a score of 602. Other high scores were made by A. J. Hurt, 572; C. F. Hinderer, 565; H. Clayton, 563; R. Matak, 557.

NET STARS TO AVOID TROUBLE

Urbana, Ill., Feb. 15.—No fight on the National Tennis Association is intended by the newly organized American Association of Clay Court Players, says its president, Dr. P. B. Hawk of the University of Illinois. Dr. Hawk was instrumental in organizing the new association. After establishing a clay court championship the players' association was formed to insure a firmer basis. The point is made that the new organization is an association of individuals.

DRISCOLL IS TOO MUCH FOR HAYES

London, Feb. 15.—Jem Driscoll last night defeated "Seaman" Hayes for the featherweight championship of England and a purse of \$5,000 before the National Sporting club. Driscoll soon had Hayes at his mercy and the referee stopped the contest in the sixth round to avert a useless knockout. The twenty round bout between Digger Stanley, the bantam champion of England, and Young Pierce, an American negro, ended in a draw.

INDIANA AND BADGERS PLAY

Bloomington, Ill., Feb. 15.—Indiana and the University of Wisconsin are to play football at Washington Park, Indianapolis according to an announcement by Athletic Director Sheldon. Indiana plays Illinois here Nov. 5 and Indiana plays Purdue at Lafayette. The schedule will soon be ready.

HYLAND AND HAYES MATCHED

New Orleans, Feb. 15.—Fighting Dick Hyland and Grover Hayes were matched today for ten rounds at 133 pounds. They will fight Feb. 22 before the Royal Athletic club, the bout having been postponed from Saturday night because Hayes, while training with Young Hurley, bumped heads with the bantam, opening a gash over the left eye.

A hard game is expected when the De Paul and Armour basketball teams clash on the De Paul floor this afternoon.
